## Adult Summer Reading Program @ your library™

Lynchburg's youth are not the only ones who will have the opportunity to participate in a summer reading program. The Adult Summer Reading Program is gearing up for its third year. The program will run from June 2 through September 3. Stop in at either branch and pick up your Adult Summer Reading Program guidelines. There have been some changes from last year. Participants will be asked to read at least seven books in various categories such as mystery, poetry, a book by a Virginia author, a book set in a foreign country, and a book by an author whose last name begins with the same letter as your last name. As we did last year, we will have weekly drawings for prizes. Drawings will start on July 7 and run through September 3. We hope to have a lot of participants this year!
